PROFILE EXPERIENCE

Computer Science undergraduate with hands-on experience in software development through internships and projects. Skilled in programming, web development, and working with databases. Interested in building efficient applications, learning new technologies, and contributing to software development teams.

EDUCATION QUALIFICATIONS

Course	Board/University	Institution	Percentage
B.E. CSE - Data Science (2022-Current)	VTU Board	SJB Institute of Technology	8.5 CGPA
Higher Secondary (XII) (2020-2021)	Karnataka State PU Board	MES MPL Prof Sastry PU College	95.01%
Secondary (X) (2018-2019)	Karnataka Secondary Education Board	Swami Vivekananda English High School	92.64%

PROFESSIONAL EXPERIENCE

Software Development Intern | Bandhan Technologies (Current)

- Develop full-stack features and REST APIs for enterprise applications.
- Contribute to AI-assisted development and GitHub automation workflows.

Android Application Development Intern (Generative AI) | MindMatrix Technologies

- Built Android features integrated with Generative AI.

PROJECTS

- Cloud-Based Anomaly Detection System – Python, ML, Flask, Streamlit, MongoDB, Scikit-learn.
- E-Commerce Sales Analytics Platform – Node.js, Express.js, MongoDB.

SKILLS

- Programming: C, Python, HTML, CSS, Java, JavaScript
- Backend: Node.js, Express.js, Flask, REST APIs
- Databases: MongoDB, SQL
- Tools and Platforms: Tableau, Power BI, Excel, Jupyter Notebook, GitHub, VS Code
- Core Competencies: Problem-Solving, Analytical Thinking, Communication, Team Collaboration

CETIFICATIONS

- Git skill up –Geeks for Geeks [Certificate]
- Power BI for Business Professionals– Infosys Springboard [Certificate]
- Tableau in 7 steps – Infosys Springboard [Certificate]
- Basics of Business Communication – Infosys Springboard [Certificate]
- Claude Code in Action, Claude API, MCP, Agent Skills - Anthropic

PUBLICATION

"Survey on Cloud-Based Anomaly Detection in E-Commerce using Machine Learning" Published research focusing on ML-based intrusion and fraud detection techniques in cloud environments. [Certificate]
